Triumphs and tragedy in 2018

VICKI BROOKER

Review Staff

The past 12 months saw great accomplishments and major setbacks hit the headlines, as Elk Point and district celebrated new leadership in community groups, major sports victories and new fundraising ideas while coping with falling oil prices, rising unemployment, rural crime sprees and devastating fires

January

The completed walking trail project topped Mayor Lorne Young's list of accomplishments from a busy year in 2017, along with the start of numerous other projects, from the bulk water station to looping water lines between Circle Drive and Ravine Drive.

The renewal of the Summer Temporary Employment Program was good news to municipalities and organizations who hire summer students.

Metelytsia Ukrainian Dancers delighted the crowd at their 36th annual Malanka celebration with fast paced and energetic dances carrying on the age-old traditions.

A decision regarding increased water rates was revisited by town council, who agreed that it would be prudent to take the matter to a public hearing and get input from the community before implementing the changes.

It would take new ideas and wise decision making, but Elk Point Chamber of Commerce agreed that ways to repay the \$135,000 loan on the EcoCentre should be determined by the new executive that would be elected in February.

MLA David Hanson gears up for spring election

JANICE HUSER

Review Contributor

As 2019 starts, the first thing on most provincial politicians' minds is the impending spring election.

While Albertans are still unsure when exactly the election will take place, and if MLAs will even return to the legislature for a session prior to the election, current Lac La Biche-St. Paul-Two Hills UCP MLA Dave Hanson is already gearing up for what is sure to be an interesting year.

"We're hoping for an early call," says Hanson, when speaking about the upcoming election. "We're ready." Hanson currently sits as part of the United Conservative Party, the official opposition.

One of the biggest changes the election will bring for the area, regardless of the outcome, is that it will be the first election to take place since the provincial constituency boundaries were redrawn. The Lac La Biche-St. Paul-Two Hills constituency will no longer exist, and Hanson will run under the new Bonnyville-Cold Lake-St. Paul constituency.

The three namesake communities that once made up the Lac La Biche-St. Paul-Two Hills constituency will be split up. Two Hills will fall into the Fort Saskatchewan-Vegreville constituency, along with the Village of Myrnam; while Lac La Biche will belong to the Fort McMurray-Lac La Biche constituency.

Closer to home, some areas of the

County of St. Paul will belong to the Athabasca-Barrhead-Westlock constituency, including the communities of Mallaig, St. Lina, Ashmont, and Boscombe. The Village of Vilna will also belong to this same constituency.

While it'll be a change, Hanson says the new constituency won't be as stretched out, which is a bonus.

A highlight for Hanson was winning the UCP nomination for the Bonnyville-Cold Lake-St. Paul constituency on Sept. 12. When speaking about the upcoming election, Hanson is optimistic about continuing on with his role as MLA for the area.

Looking back on 2018, Hanson says it was a busy year, and the most troubling item to come from the past 12 months is what he describes as a

increase in the deficit and debt. He notes that projections say Alberta's debt could reach \$96 billion by 2023.

When speaking about specific areas, Hanson says the economy, rural rime, and access to health care remain concerns for constituents.

Hanson says he attended a Yellow Vest protest in Bonnyville just before Christmas, and was impressed by the turnout.

"There's a lot of frustration out there," he says, speaking about the protests taking place across the province. He says people are not convinced that either government is serious about building pipelines, although Hanson believes most Canadians are behind the idea.

Walkers urge others to join the revolution

ELK POINT POLE WALKERS
Review Contributors

Elk Point Pole Walkers want you to join them in a Walking revolution!

In 2018 some members of the Elk Point Pole Walkers challenged themselves to walk 1,000 miles in 2018. Marguerite Friesen reached her goal by early November and totaled 1,114 miles by the end of the year. And 1,805 miles—that's how many miles Donna Bassett walked in 2018 and Donna only started tracking mid February! What a star! Doug Bassett has been a member of the Walk 1,000 mile club for many years as he has walked daily and sometimes twice daily for 30 some years. What an awesome example we have right here in our own community!

A thousand miles seemed like a pretty lofty goal at the start of 2018, but our group walked on, some daily, others were weekend warriors. We walked once a week as a group, then twice, then Donna started sending texts and inviting us to walk every day! It was a great way to get our steps in! Walking with someone else seemed to be key in keeping up with the walks. Walking and talking made going around the loop go quickly and made it a very enjoyable activity. Some joined our walks without tracking their steps. Former Elk Point residents

LET'S GO FOR A WALK! You'll enjoy it, these devoted enthusiasts say!

joined the walking challenge. Others who did not belong to our group joined our challenge.

In 2019 the Elk Point Pole Walking group wants to start a Walking Revolution and is inviting the whole town of Elk Point to join! UWALK.ca has made it easier to measure and track your activity! UWALK is a pro-

gram developed by the University of Alberta Faculty of Physical Education and Recreation and administered by Alberta Health Services and is focused on empowering people through walking.

The Elk Point Pole Walking group is challenging residents of Elk Point to join UWALK.ca. Once signed up you can join the Community Elk Point, AB

#therightplacetobe.

Elk Point Healthcare Centre staff just formed a community and Nordic Walkers of Alberta has one too. You can belong to as many communities as you want.

UWALK has a 2019 Feature Challenge to Walk 1,000 km in 2019. You can reach your goal by walking 2.7 km per day, which is equivalent to a 30 minute walk. (Yes, YOU CAN DO IT!) All you need to do is sign up. Once signed up you can join this challenge or one of the other UWALK challenges.

Walking is the most popular form of exercise, not only for Canadians but for people around the world. Elk Point has a great walking trail. Walk in town or out of town. Walk with poles, walk without poles, walk with a group, walk with a friend, or walk alone. Walk and track your steps on UWALK.ca.

A set of demo poles has recently been provided by Urban Poling to Marguerite Friesen, Urban Poling Instructor who will be giving a Pole Walking demo January 24th at 7 p.m.. Location to be announced. Come on out for an evening session and find out why Nordic walking is a growing fitness trend and hear all the benefits.

For more information you can call Marguerite at 780-724-3068.

2018 in review

(Continued from Front Page)

Elk Point Minor Hockey hoped the community shared their dream of making the four days of the Bantam 'D' Provincials a huge success not just for the host team but the whole community, with volunteers invited to help prepare the arena, sell programs and assist in the concession, and local businesses invited to sponsor games.

There were brand new champions at the 35th Oilmen's Bonspiel, the recently established Techmation rink of Lorne Koss, Brad Koss, Ryan MacDonald and Conrad Pierce taking the win over DOG Inspection's John Regnier, Don Anderson, Owen Gibson and Chad Milnthorpe in the final.

Ratepayers attending the public hearing learned the reasons for the utility rate increases, which included installing electronic water meters and avoiding another huge shortfall in the utilities budget, following guidelines from the province that indicated that utilities should pay for themselves.

February

Mayor Lorne Young and town council, on behalf of the Elk Point Regional Fire Area Committee, asked the Elk Point and District Chamber of Commerce to assist in the recruitment of volunteers to join the Elk Point Fire Department, as only two or three of the approximately 20 members were in town during the daytime.

A sure sign of spring was a baseball winter camp in the F. G. Miller High School gym.

Elk Point's first-ever Zabava was a fabulous kaleidoscope of talent from Edmonton's famed Vohon Ukrainian Dance Ensemble, Innisfree Chudovyi's adult dancers and two local dancers who are part

of MY Academy of St. Albert joining Elk Point Metelytsia dancers to create a truly memorable event.

Elk Point Chamber of Commerce was under new leadership, with Terri Hampson of Northern Lights Library System as the new president and Bob Ellacott of Cornerstone Co-op as vice president, joining treasurer Christine Fenton and secretary Vicki Brooker on the executive team.

A five-member delegation from F. G. Miller High School visited town council to request the declaration of Feb. 25 to March as Random Acts of Kindness Week and Feb. 28 as National PINK Day in Elk Point.

Town council approved the appointment of Lyle Frisby as Fire Chief and Peter Hewitt as Deputy Fire Chief.

Minister of Education David Eggen visited Elk Point Elementary School with school trustee Lorne Young as part of a tour of schools that are encouraging healthy eating in a pilot project.

Greater Lakeland Rural Crime Watch members grilled Crown Prosecutor Jordan Kerr at their Annual Meeting in St. Paul, gaining insight into the steps undertaken between the time a crime is reported and the sentencing of the perpetrator.

March

F. G. Miller High School got to the heart of the matter on Pink Shirt Day, with RCMP Cst. P. Pottie offering insight into bullying and the impact it has on its victims at an assembly where students also spoke out against bullying and for random acts of kindness.

Elk Point Golf and Country Club told town council they were successful in their application to draw water from Atimoswe Creek at any time to fill the club's reservoir for watering the greens, with a permit to do so in place until 2027.

Young scientists showed their skills at Elk Point Elementary School's annual Science Fair, Book Fair and Art Show, with four of 15 outstanding projects earning Awards of Excellence for Trace Morgan and Braylee Lesyk, Grade 3, Duane Rivera, Grade 4, Robyn Urquhart, Grade 4 and Aaron Cayan, Grade 5.

Elk Point Chamber of Commerce had new faces at the table as well as a new executive, including new president Terri Hampson, who introduced the OFEEDS Formula of meeting rules that would keep meetings orderly, focused, efficient, equal in opportunity to be heard and make decisions, decorum and in a safe environment that fosters positive relationships.

EVERYONE WELCOME!

A proposal that would see a complex of up to 25 adult living villas built on 7.21 acres at the north end of Elk Point was brought to town council by the CEO and marketing director of Country Garden Villas, who said the development would solve the deficiency of housing for seniors.

F. G. Miller High ranked number one in Grade 12 exam marks for the St. Paul Education Regional Division and better than the provincial average, reported Superintendent of Schools Glen Brodziak.

Elk Point Volunteer Fire Department sent out its own call for assistance, Fire Chief Lyle Frisby hoping to the number of volunteers and ensure there would be enough to respond during daytime hours for emergency calls, as only three of the 17 active members were immediately available at that time.

Elk Point Interagency Health and Wellness Committee was happy to hear that all was well at the healthcare centre, with adequate nursing staff in place and laboratory renovations almost completed.

April

Elk Point Fire Department's ninth annual Good Friday pancake breakfast and Easter Egg Hunt brought out a capacity crowd which included special guest Sparky the Fire Dog, who presented well filled Easter baskets to golden egg finders Kobi Apigao, Joshua Smith, Ava Goulet and Elizabeth Smith.

June 12 was set for a town council by-election after Coun. Sherry Bower Gagne resigned to move to Lloydminster to support the needs of her parents.

Elk Point Chamber saw more new faces for the second meeting in a row, where fundraising chairman Dwayne Yaremkevich proposed a Spring Frolic as a way to start paying down the loan on the EcoCentre.

The Town of Elk Point's finances were much improved over the previous year, according to auditor Michael Epp, who presented the audited financial statement and said the net financial debt had dropped by more than \$1 million from the previous year.

The County of St. Paul approved their 2018 budget and projected a slight surplus, with increases in the school requisition, a six per cent increase in property values and a new requirement for owners of designated industrial properties to pay additional tax.

The Towns of St. Paul and Elk Point, the County of St. Paul and the Summer Village of Horseshoe Bay were in the beginning phase that would see existing Intermunicipal Development Plans (IDPs) for the towns and county updated and a new IDP and a municipal development plan prepared for the summer village.

St. Paul RCMP's new Detachment Commander felt right at home when he attended the Greater Lakeland Rural Crime Watch meeting at Elk Point Elementary, SSgt. Cory Blize having attended school there and graduated from F. G. Miller High before starting his law enforcement career.

STOCKINGS ALL IN A ROW were just part of the interior décor at Elk Point Insurance, where Santa and a snowman welcomed customers in the front window and numerous festive figures indoors, as well as a glittering tree.

BRANCHES DECORATE BRANCH - ATB Financial had a cheery welcome with candy canes, snowflakes and Santa tucked into the greenery right by their front door, and indoors by staff in their snazzy Christmas sweaters!

Frog Lake arena break-in

ELK POINT RCMP

On Jan. 4, Elk Point RCMP were dispatched to a Break and Enter that occurred at the Frog Lake arena. The break and enter and theft occurred in the early in the morning of Jan. 4. Two suspects were able to gain entry into the arena break into the canteen and steal several cases of food before

leaving. A few windows inside the building were also broken.

The Elk Point RCMP is looking for the public's assistance in identifying one of the suspects caught on surveillance.

The investigation is ongoing and police are asking if you have information about this incident to please call the

Elk Point RCMP at 780-724-3964 or call your local police. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

around Beaudoin's absence, and the subsequent absence of Superintendent Marc Dumont.

When asked for his thoughts on St. Paul Education Regional Division (SPERD) teachers authorizing a strike vote in December, Hanson said he did not want to speculate on the situation.

Looking ahead to 2019, Hanson says the province has to get its economy back on track, and he believes both the provincial election, and the fall federal election, will play a part in that.

"2019 promises to be a very interesting year, all around."

Hanson

(Continued from Front Page)

When asked about education issues that have come up in the area, spoke briefly about the Conseil scolaire Centre-Est, saying the recent announcement that will see former École du Sommet principal Yvan Beaudoin return to work at the school as a teacher, is "a step in the right direction." Hanson brought up the issue during question period in November, asking Education Minister David Eggen about the circumstances

Best dressed!

THE MOST IMAGINATIVE SNOWMAN in town, along with what were likely the largest ornaments, were found in the festive display at Signatures Collision and Frame in Elk Point's Industrial Park, the same business that had the winning display in the recent Scarecrow Contest.

Elk Point tournament to support Ronald McDonald House

VICKI BROOKER

Review Staff

Elk Point is one of four communities that will be part of the second annual Winterland Invitational, a series of minor hockey tournaments held in support of Ronald McDonald House in Edmonton.

Elk Point, along with Glendon and both arenas in Bonnyville will host the tournament, involving novice, atom and peewee teams, on the weekend of Feb. 15 to 17, and all four facilities are gearing up for the event by seeking out announcers for each of the nine games in each arena to add to the fun and excitement of the tournament. Those willing to contribute their time in the announcer's booth are asked to contact Oreen Skiba at oreen@rmhcna.org or 780-545-1976 to sign up for a shift. Games go from noon to 3 p.m., 3:15 to 6:15 p.m. and 6:30 to 8 p.m. each day of the tournament.

A number of booth workers are also needed at the A. G. Ross Arena for the tournament, with four workers required for each of three shifts each day, between 11 a.m. and 8 p.m. Interested volunteers are asked to contact Tara Cameron at 780-645-0106.

Organized by Ronald McDonald House Charities Northern Alberta (RMHCNA), last year's tournament raised over \$110,000 to help keep this home-away-from-home for sick children and their families in operation and provide programs that support these families.

RMHCNA has the goal of improving the lives of families with seriously ill or injured children who are receiving treatment in Edmonton by easing the financial and emotional burdens they are experiencing and keeping the families close. Last year, local families stayed 924 nights at Ronald McDonald House, and were able to save over \$165,000 in accommodation and transportation.

EDITORIAL

Looking back and ahead

It's time again to look back at last year's predictions and make a new set for the coming year.

Last January, we predicted less water breaks for the Town of Elk Point because of their rehabilitation project, and that appears to have been a success.

And yes, the Elk Point Chamber of Commerce elected a brand new president, who did exactly as predicted, inspiring new ideas and new solutions to the long term debt problem, to the point that the chamber is actually able to chip away at that daunting amount on a monthly basis.

On the other hand, the third doctor has not yet become a reality, although there is a good possibility that this will be the year that goal is fulfilled, and plans for a sign honoring Mark Letestu have apparently been put on hold indefinitely.

Two out of four isn't bad, but it's not good, either.

And now for this year: it's a year that a great deal will depend on politics on both provincial and federal levels, and on what both governments do to help get Alberta's oil to market. It isn't that we haven't seen busts in the oil patch before, but it seems to surprise us every time it happens, and we're never ready for it.

It will be a year when new partnerships are made to do everything from hosting events to getting major projects underway. Cooperation goes a long way to getting things done.

It will be a year when both adult and youth theatre groups play to packed houses at all their events.

With less disposable income for travel, local campgrounds and attractions may draw a whole new crowd of fans to check out what's available close to home.

WINTER FUN

Five tips for safe ice fishing

NEWSPAPER TOOLBOX

Ice fishing is a fantastic way to enjoy winter's natural beauty in the company of friends and family. However, venturing out onto a frozen lake isn't without its perils. Remain safe while reeling in your next big catch by doing these five things:

1. Closely inspect the ice. Know that clear blue ice is the strongest, opaque white ice is only half as strong (or twice as fragile) and dull grey ice is very fragile (and therefore extremely unsafe for fishing).

2. Measure ice thickness. If you're fishing on a waterway or anywhere besides a lake or pond, check the ice in several spots, as currents result in uneven ice formations. A minimum thickness of 10 centimetres is recommended if the ice is blue and 20 to 30 centimetres if the ice is snowy.

3. Fish in a group. Never head out alone on the ice and make sure that everyone you're with is familiar with emergency protocols. Always be aware of where all members of your group are located.

4. Exercise caution. Don't go out on the ice when it's dark out, avoid drinking alcohol and be mindful that even thick ice isn't 100 per cent safe.

5. Bring the right equipment. The following items are indispensable for ensuring your safety and comfort while out on the ice: a lifejacket, a warm snowsuit, spare clothes, a first aid kit, waterproof matches, a survival blanket, hot drinks and snacks.

The source of this information also suggested a lifejacket, a flashlight and ice picks, but locally, we would suggest instead that you bring a fishing tent, a heater and don't forget your ice dipper.

WAY BACK WHEN...

Hearts of Gold, mass support, costly break, county petition

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF JAN. 7 IN...

1989

Ron Barwick, Ruth Vogel, Marnie McCowan, Elaine Etherington, Violet McFadyen and Laverne Wilson were recognized with Air Canada Hearts of Gold awards. Alberta Environment Minister Ian Reid and MLA John Drobot announced that reclamation of the abandoned Town of Elk Point garbage dump would begin soon, weather permitting.

1994

The Review's predictions for 1994 included innovative fundraising by the Ag Society, a new home for Community Services, continued sales of industrial land and increased emphasis on families in the International Year of the Family. Bachelor of Science student Callie Baumgardner won a Northwestern Utilities academic scholarship towards her studies at Augustana University College in Camrose.

1999

Massive support was shown for Elk Point Health Centre, with over 300 residents crowding the Elks Hall for an information meeting on retaining services, and 1096 signatures on a petition that accompanied a fat sheaf of briefs sent to George Cuff and Associates, the consulting firm conducting a complete review of Lakeland Regional Health Authority facilities, governance and administrative procedures. The United Nations Year of the Older Person would be dedicated to making Elk Point 'senior friendly', said FCSS Director Deanna Easthope.

2004

Elk Point Public Works was still mopping up from a large and costly water main break that left the industrial area without water through the Christmas

holidays and was a major obstacle to traffic in the area while it was repaired. Grade 12 students were gearing up for new-style diploma exams that started earlier and in some cases, involved multiple exams written the same day.

2009

A petition bearing almost 700 names that was received by the County of St. Pul asking county council to pass a bylaw changing the current method of choosing a reeve from among the elected councillors to holding a separate vote by electors for a reeve at large was deemed insufficient under the stringent rules set out by the Municipal Government Act. Donations toward the Allied Arts Centre continued to come in from local businesses as well as from the North Eastern Alberta Real Estate Board.

2014

For Elk Point, 2013 had definitely been a year of construction, challenge and change, with the new industrial subdivision, new and old residential areas and even the downtown core becoming beehives of construction activity. Construction also was prevalent outside of town as a major pipeline made its way through the area, increasing traffic and bringing the issue of work camps to the fore. Challenge bombarded the community right at the year's beginning, with staff shortages at the Healthcare Centre that sent residents elsewhere to seek treatment, and was not totally solved until well into the year. Challenges also erupted in the town council chamber, causing unusually heated discussions. Change came in the form of a new town council, with new ideas they were eager to share, and continued to the end of the year as the new council gave approval to combining two part-time positions into one full-time position in the FCSS Department.

Sports awards just kept on coming in 2018

Elk Point's young athletes just kept on winning in the second half of 2018. Here are the highlights:

July

The Mosquito Sox provincial team was buzzing down in Lacombe and put the bite into two teams, winning 20-11 over Edmonton and 17-16 over the host team on Saturday, but losing to the same Lacombe team in the Sunday rematch.

The following weekend, the Mosquito Sox hosted the Provincials Playdown, winning 8-3 over the Edmonton Padres and losing 10-4 to the Rocky Mountain House Sun Devils before winning a close one over South Side Edmonton Angels to seal their AA Tier 6 Provincial bid.

The Zone 7 football team was practicing hard, in 30-degree temperatures but lost their first game of the season against Sherwood Park, won their second 20-0 against a Zone 1 team and lost to a Zone 6 team from Edmonton in the third.

The Bantam AA Northstars who went 12-8 during what coach Tyler Warawa said was a great season, were also headed to Provincials in St. Albert and brought home the silver medals after a weekend where they won their first, which Warawa said was the greatest game they had played all year, and made it into the semi finals even though they lost their second game. They won the semi 11-8 over the Calgary Grizzlies, a team that had defeated them by 10 runs the weekend before, sending the Northstars to the final against St. Albert, where they took a lead into the fifth inning but powered out before the final.

The Mosquito Sox won two out of four games at provincials in Rocky Mountain House, but didn't make it to the finals, with Kale 'The Hawk' Ockerman, Raif 'Rug Rat' Evans-Anderson, Madden 'Mad Dog' Flamand and Kolton Davies named the MVPs of the games.

Corbin 'Crusher' Ockerman won also won a silver medal, this time in Richmond, BC playing for Team Alberta U17 in the Volleyball Canada Cup, and former local resident Parker Allen won gold in both Hammer Throw and Javelin at the Alberta Summer Games, going on to win silver in both at Western Track

and Field competition.

August

Ball season was over for many, but not for former Sox player Dustyn 'Dust Pan' Pankiw, who has played at the AAA Midget level with the St. Albert Cardinals, which won the Tier 1 championship and was headed to Nationals.

Minor sports took a back seat the following weekend, when Elk Point Oilmen's Association hosted their 35th annual golf tournament, where the championship flight was won by Curtis Porcina and Robyn Moroziuk, on the same weekend the Elk Point Pickleball Club cut the ribbon to officially open their new court

Football practice was well underway for both the St. Paul Lions, with Hank 'the Tank' Rogal, Charlie 'Chuckles' Rogal, 'Danny Boy' Cardinal, 'Ty Cobb' Smereka and Odin 'the Wall' Smith on the roster, and Sam 'Spiderman' Rogal, 'Bazooka Joey' Cardinal, Nathaniel 'the Man' Cousins, Josef 'Big Red' Theriault, Chayse 'Big Pappy' Pankiw and Aurora Smith trying out for the Bengals.

September

Volleyball season was underway and F. G. Miller Senior Boys Crusaders started off the season by winning a tournament against some really strong teams in Cold Lake.

The following week, the boys won all seven games at the Bonnyville Roadrunner Tournament, and Crusaders Nick Anderson, Kaiden Evans-Anderson and Zane Cribbins placed third overall at golf Zones, with Nick placing first overall in individual competition.

F. G. Miller students were on the run at Ross Lake in the SPAA Cross Country competition, with Rylee Warawa, Jadey Capjack, Taylor Swedgan, Steven Zacharuk, Jaden Van Maarion, Liam Ludlage, Ty Smereka and Nick Anderson all in the top three for their categories.

October

The ice was in A. G. Ross Arena after replacement of the brine pump, straightening and repairing of boards and a new paint job for the bleachers and walls, and practices were already underway.

It was the Lady Crusaders turn to win on the volleyball courts, with the Junior Girls winning the Mallaig tournament and the Senior Girls placing second in the senior tournament.

Elk Point Elks started off their first home game by forming a circle with the visiting Lahsburn Flyers during the playing of O Canada to pay tribute to the Humboldt Broncos, all of the Elks wearing Humboldt Strong stickers on their helmets and Elks assistant captain Kam Ballas, who was once part of the Humboldt team, wearing his Broncos jersey during the ceremony.

Early Sunday games were no problem for the local teams, with the Novice and Atom Avalanche heading out of town and the Pee wee Avs hosting Bonnyville at home, with the Midgets winning a pair of games over Kitscoty/Marwayne and Vermilion during the weekend and the Elks having an exciting overtime home ice win over Wainwright Rustlers.

November

'Top Gunner' Crawford scored two goals and two assists in the Pee wee Avalanche win over Vermilion Tigers, while the Novice Avalanche played their first game at home using Hockey Alberta's new half-ice, four-on-four system, and the Midgets ignored storm warnings and traveled to Lac La Biche, where they tied 4-4 with the Clippers.

Volleyball was still going strong, with the Crusaders Senior Girls bringing home the win from the Two Hills tournament. League re-tiering saw the Midget Avs moved up a notch to Tier 2, in a year that saw a move by Hockey Alberta to have only Tier 1 and Tier 2 compete in provincials, and no Zone champions any more. This season, the change only affects the Pee wee teams, and if it works for them, it would be at all levels in the 2019-2020 season.

F. G. Miller Senior Boys Crusaders hit the front page two weeks in a row,

first proudly displaying their N. E. Zone 2A volleyball championship banner, and the second week with their 2A Volleyball Provincials banner and trophy plaque after a 15-10 win over West Island College. The second week saw them sharing the glory with the Elk Point members of the St. Paul Lions, who brought home silver medals after the team's first ever Provincials competition in the team's 35-year history.

December

Elk Point Novice Avalanche hosted the first tournament of the 2018-19 season, filling the A. G. Ross Arena with enthusiastic fans on the day before a major overnight snowfall, however that didn't keep the Lac La Biche Clippers from heading south to take on the Midget Avs on Sunday.

The Novice team was back in the spotlight the next week, with an 11-all tie against one Bonnyville team and a big win against another Bonnyville team, while Jeff Morgan's Atom Avalanche shut down the big guns of the Frog Lake T-Birds and the Midget Avalanche defeated a team from Fort Saskatchewan 9-3 in an exhibition game.

Ty Smereka and Chayse Pankiw were award winners as the St. Paul Lions and Bengals celebrated 'A season to be remembered.'

The Atom Avalanche got an early Christmas gift when Elk Point Minor Hockey was awarded the Atom D Provincial Finals, March 14 to 17, 2019, and spent the weekend defeating Cold Lake Ice 9-3 and 10-4 in a home-and-home series. The Novice Avs played in a one-day, nine-team tournament where every team played one 20-minute half ice period back to back, and although they don't keep score at the Novice level anymore, it is rumored that the Avs won seven out of eight games, a great way to wind up 2018!

NEW YEAR'S EVE saw Sportshound Doug Basset celebrating his birthday with a skating party and surrounded by grandchildren as he blew out the candles on a pair of birthday cakes.

EPMH has win, win, win, win start to 2019

Nothing better than starting the New Year off right! All of the Elk Point Minor Hockey teams did exactly just that, they all won their first games of the New Year. What a bonus!

I'm not a big fan of afternoon games for the Midget aged kids. That age group usually stays up half the night, but it seems to be no problem for our **Midget Avalanche** who travelled to Vermilion to tame on the Tigers this past Saturday at noon. Maybe it was the Tigers were out prowling until the middle of the night, not the Avalanche! Nothing could stop the Avalanche - once it gained momentum, it totally smothered the Tigers, winning 11 to 3. Veteran captain, the slick skating stickhandling machine, Nick 'Sparky' Anderson really lighting it up on this day with four goals and five assists. His sidekick wingmen, also both third year players, Chase 'Rink Rat' Dorey with two goals and two assists, and Dusty Pankiw with a goal and an assist. The rugged D man Hayden 'Hot Wheels' Ludlage, who is also in his last year of minor hockey, with two goals and one assist. The rookies on this team look pretty darn good too, Charlie 'Chuckles' Rogal with a goal and an assist, 'King Cole' Bendixen with a goal and an assist and cruising down the right wing, Jayden 'Jet Stream' Van Maarion with an assist. Another talented rookie, the setup man, center man 'Lightning Liam' Ludlage doing what he does best, setting them up with five assists. Great way to start the new year, boys! Maybe you could give the Oilers a tip or two!

The **Atom Avalanche** played at home at noon on Saturday, winning a really tight match against Glendon 3 to 2. Atom games at noon seem normal to me, but of course I come from the old school where you start the day off with the youngest and end it with the oldest. Brendan 'Buzz Saw' Kadutski with the first goal assisted by 'Without a Trace' Morgan and Kaysen 'Dynamite' DeMoissac. Evett 'Snoop Dog' Smereka with the second, his assisted by the 'Rug Rat' Raif Evans - Anderson. And 'Dynamite' blasting in the third, assisted by the hard working defenseman 'Little Willy' Braylee Lesyk and winger 'Hurricane Kayl' Warawa.

Five o'clock somewhere, but on this past Saturday just as my Leafs were hitting the ice against Canucks, the **Peewee Avalanche** were facing off against one of their toughest competition in their Tier Three league from St Paul. The Canadiens dominating the game and bombarding the Avalanche goalie 'Kid Kade' Fontaine with 40 shots. But the Kid didn't weaken and hung

on for the 2 to 1 win. Just in case you didn't know allowing only one goal in 40 shots works out to a .975 save percentage. The Avalanche only got 14 shots on the Canadiens. A great game for Seth

**doug
BASSETT**

Review Sports

Motor Man' Morton who has really improved his game this year, he scored both goals, getting one all on his own and one assisted by 'Cyclone Cole' Pierce. On Sunday late afternoon the Peewee Avalanche played another nail biter against Bonnyville and this time it was the Bonnyville tender that kept his team in the game, the Avalanche peppering him with shots, the game ending in a one-all tie. 'Top Gunner' Crawford the only goal scorer, assisted by Brendan 'Blue Line' Haesch. They say a tie is like kissing your sister. The Avalanche were down 1 to 0 for almost two full periods, so coming up with a tie late in the game in this case isn't so bad. You never know, a single point might put you in the playoffs!

On Sunday morning at 8:45 the **Novice Avalanche** travelled to Bonnyville, coming home with a huge 18 to 3 win. Oh yea, not supposed to keep score in novice anymore...me bad! Five goals for 'Billy Bob' Ballas, 'Wild Wyatt' Fontaine with four goals and five assists, Jaxson 'Magic' Marcoux with two goals and two assists, Jackson 'J.R.' Rawlake with one goal and two assists, 'Major Tom' Melnyk with a goal and an assist, Jaxon 'Smitty' Smith with two goals and four assists, 'Jesse James' Penner with two goals and two assists, Kestyn 'Queen Bee' Quinney with one goal and two assists. Between the pipes, goalie Theo 'Long Horn' Loughran had lots of shots and made four or five terrific saves helping with the win.

Sunday afternoon at 2:30 p.m. the **Micro Novice Avalanche** played in Bonnyville. Micro Novice playing an afternoon game seems weird to me, but on the other hand it was great for the parents and grandparents who came out to watch their little stars perform. You can sleep in a little, go to church, take in brunch and still be in time for the game. The Avalanche had their hands full with the Pontiacs although Lennox 'All Out' St. Arnault managed to score. Hudson 'the Roadster' Krankowsky assisting, plus getting really good chances to score himself. A good game for Zander 'Zorro' Goertzen and 'General Lee' Barstad who both worked really hard creating some turnovers. 'Tornado' Aarbo, Jady 'Spectacular' Sakowsky and 'Mount Everest' Hahn coming up with some huge saves while in goal. The newest player on the team, 'Jumbo Jay' Large was skating really well, forechecking and backchecking. I heard they played some cool music too, and the kids

learned a few new dance moves!!

In out-of-town action, our hometown bantam-aged goalie Vanden 'Super Mario' Moroziuk is playing Tier One with the Bonnyville Pontiacs this year, due to the lack of bantam aged kids here in our town. 'Super Mario' played in a tournament in Mannville this past weekend, winning the player of the game with a 3 to 2 win Saturday morning after being outshot 37 to 29. His second game he lost 4 to 1 but once again was outstanding and faced 48 shots in that one. Up in Cold Lake on Saturday, our granddaughter, goalie Heaven 'the Brick House' Colborne playing with the Lakeland Panthers Female Midget team defeated Provost 5 to 3. 'Brick House' facing 32 shots in the win. Two of the goals came on the power play, and she did allow one soft one, but she shut the door with some huge saves late in the game when the pressure was on! And playing for the Camrose Vikings Tier Two novice team, grandson defenseman Bode the 'Badger' Bassett scored a goal on Saturday in a win over Thorsby and scored another on Sunday against Westlock in another win. The Vikings are now sitting in first place in the Tier Two novice league that they play in and will be coming to Bonnyville this coming weekend to play in a full ice tournament. 'Badger' will have the biggest cheering section with his five cousins, sister, mom, aunt, uncle and grandparents all planning to come to the games!

And now for the K.A. Campbell quote of the week. "The only way you can check Gretzky is to hit him when he is standing still singing the national anthem." - Harry Sinden

MICRO NOVICE AVS storm the crease in Bonnyville in Sunday's game.

IN MEMORIAM**In Loving Memory Of**
Myrna Fox (nee McFadyen)
April 14, 1940 - January 5, 2018Don't think of her as gone
away, her journey's just begun,
life holds so many facets, this
earth is only one.Just think of her as resting
from the sorrows and the
tears, in a place of warmth
and comfort, where
there are no days or years.Think of how she must be
wishing that we could know
today, how nothing but our
sadness can really pass away.
And think of her as living
in the hearts of those she
touched, for nothing loved is
ever lost and she was loved
so much.Lovingly remembered by,
Bill Fox; Chris McFadyen &
Family

The calendar sales are a fundraiser to help the department purchase additional equipment needed in their response to local emergencies.

Elks start 2019 with big win

VICKI BROOKER
Review Staff

Elk Point Elks followed the great example set by the local minor hockey teams and also started off the New Year with a road trip win, tripling Kitscoty Monarchs 9 to 3.

The Monarchs were first on the scoreboard, and it took almost half a period before Brody Odgaard tied the score off assists by Kam Ballas and Jason Kalynchuk. The Monarchs edged ahead, but an unassisted goal by Ryley Wozniak sent the teams to the dressing rooms with a tie after the first period.

The second frame saw maximum effort from the Elks with no less than five unanswered goals, Matthew Boulianne assisted by Christian Nypower, Myles Whitford assisted by Dillon Kalinski, Nypower assisted by Kurt Franklin, Jean-Guy Boisvert assisted by Kalynchuk and Dyson Karbaszewski assisted by Myles Quinney.

The Elks made it 8 - 2 early in the third period, Wozniak assisted by Kalinski, before the Monarchs scored their third goal, with the Elks adding a parting shot by Odgaard, assisted by Ballas and Franklin with 1:29 left on the clock.

Kitscoty will be heading to Elk Point for a rematch this Saturday, with an 8:30 p.m. start, so come on down and watch some exciting action.
